

REIKI CLASSES AND ATTUNEMENTS

On the path of rediscovering self-empowerment

Reiki is the natural continuation of a compassionate life experience goal, and its mastership is achieved through faithful commitment and practice to allow physical, emotional, mental and spiritual healing, evolving toward balance and harmony.

The classes are taught by Carolji Corbeil and/or Eric Forgues. We both are **Reiki USUI SHIKI RYOHO** Master-Teachers and trained to pass the attunements and teach Reiki. We use the traditional Usui Healing System for conferring the Reiki energy on a student.

Level I - Reiki Level I (called Sho Den in Japan) is taught to those who wish to learn to use the Reiki Energy and is taught to heal on the physical level. A Reiki I class material includes the hand positions used when doing Reiki on self and others, the Reiki principles, and the history of Reiki. You then receive the attunements and a Level I certificate.

Level II - Reiki Level II (called Oku Den in Japan) teaches the three Reiki Symbols and the student is given another attunement. Reiki Level II is taught to heal the emotional level. Some conceptualize Reiki Level II as being a deepening of the Reiki experience and a greater commitment to Reiki. You then receive the attunement and a Level II certificate.

Level III (Master Level) - Third Level Reiki (called Shinpi Den in Japan) is the Master-teacher Level of Reiki and is taught to heal on the spiritual level. The Usui Master Symbol is taught and completes the other three symbols taught at Level II. This level requires a great commitment on the part of the student. Masters are taught how to initiate others into Reiki using the attunement process. Level III includes the Usui Master Symbol (empowerment symbol) and its meaning and application, the attunement process and practice in its application, and how to teach others. You receive the attunement and a Master-teacher Level certificate.

Duration: usually the classes last one day from 9h00 to 16h00, but we recommend extending through an additional half day (ex. Saturday all day and Sunday morning) to allow the students to practice and get better acquainted with the energy. We offer the classes in French or English.

Location: depending on size of the group, classes are usually held at our residence located at 16 chemin Baron in Grand-Barachois, near Shediac, 20 minutes from Moncton.

(lunch is provided on first day)

Reiki will allow you to reconnect with your Divine Essence and guide you to rediscover and preserve self-empowerment and strengthen your body's ability to heal yourself and others through the connection with Universal Life Energy.
